Important information you should know

WARRANTY NUMBER

Please see the box labeled “VEHICLE IDENTIFICATION NUMBER” on the Registration Page.

Please refer to this number in any written or verbal communication, such as requesting any information or filing a Warranty claim.

The “VEHICLE IDENTIFICATION NUMBER” is the only number (also known as VIN) under which all Customer and Warranty information details are maintained in our **ACG Vehicle Database**.

EXPIRATION

The **Powertrain Warranty** plan expires **Forty-Eight (48) Months** from Vehicle purchase date, or the day it is first put into service, **This warranty is not transferable to any subsequent owner**. Subsequent owners have powertrain components covered under the 24 month/20,000 mile ACG Basic Vehicle Limited warranty.

The **Basic Vehicle Limited Warranty** plan expires **Twenty-Four (24) Months** from Vehicle purchase date, or the day it is first put into service, or when the Vehicle’s odometer reaches **20,000 miles**, whichever occurs first.

This applies to ALL vehicles except for Commercial or Rental use owners.
(e.g. Golf courses, Route delivery, Rental, Service Loan Car, etc.).

KNOW WHEN YOUR WARRANTY BEGINS

Your **Warranty Start Date** is the day you take delivery of your new vehicle or the day it is first put into service (for example, as a dealer demonstrator), whichever occurs first.

CHECK YOUR VEHICLE

At **ACG** we try to check vehicles carefully at the assembly plant and the **ACG Dealership**, and we usually correct any damage to paint, sheet metal, upholstery, or other appearance items. But occasionally something may slip past us, and a customer may find that a vehicle was damaged before he or she took delivery.

If you see any damage when you receive your vehicle, please notify your **ACG Dealership** within one week.

MAINTAIN YOUR VEHICLE PROPERLY

Your **ACG** vehicle includes “**Owner’s Manual**” which contains an **Owner Guide** and a **Scheduled Maintenance Guide**, which indicates the scheduled maintenance required for your vehicle. Proper maintenance guards against major repair expenses resulting from neglect or inadequate maintenance may help increase the value you receive when you sell or trade your vehicle, and is important in allowing your vehicle to comply with applicable safety standards.

It is your responsibility to make sure that all of the scheduled maintenance is performed and that the materials used meet **ACG** engineering specifications.

Failure to perform scheduled maintenance as specified in the **Scheduled Maintenance Guide** may invalidate warranty coverage on parts affected by the lack of maintenance. Make sure that receipts for completed maintenance work are retained with the vehicle and confirmation of maintenance work is always entered in your **Scheduled Maintenance Guide**.

Your **ACG Dealership**, or **ACG Service Center**, has factory-trained technicians who can perform the required maintenance using genuine **ACG Parts**. The dealership looks forward to meeting your every service need to maximize your satisfaction with your vehicle.

WHO PAYS FOR WARRANTY REPAIRS?

You will not be charged for repairs covered by any applicable warranty during the stated coverage periods, unless specifically stated elsewhere in this guide.

Some states have mandated alternate time coverage periods for parts of your vehicle (e.g. seat belts).

Some states and/or local governments may require a tax on a portion of warranty repairs.

Where applicable law allows, the tax must be paid by you, the owner of the vehicle.

During the Warranty period, **ACG Dealers** may receive instructions to provide no-cost, service-type improvements – not originally included in your **Scheduled Maintenance Guide** - intended to increase your overall satisfaction with your vehicle.

Sometimes **ACG** may offer a special adjustment program to pay all or part of the cost of certain repairs beyond the terms of the applicable warranty.

Check with your **ACG Dealer** or call **ACG** at: **(909) 597-2885** to learn whether any adjustment program is applicable to your vehicle. Please have your Vehicle Identification Number (VIN) available.

Additional information about your warranty coverage, under Federal and California requirements:

HOW DO I GET WARRANTY SERVICE?

To get service under your warranties, take your vehicle to any **ACG Dealer** as soon as possible after the defect is discovered.

Your dealer will determine whether the repair is covered by the warranty.

If the dealer has a question about Warranty coverage, it will forward the question to **ACG**, which must make a final decision within 30 days after you bring your vehicle in for repair. (The decision will be made within a shorter time if state, local, or federal law requires you to have the vehicle repaired more quickly in order to avoid additional penalties.) The deadline for a determination about Warranty Coverage does not need to be met if you request a delay, agree to a delay in writing, or if the delay is caused by an event for which neither **ACG** nor your dealer is responsible. If a question about Warranty coverage is referred to **ACG**, you will be notified by **ACG** in writing if your claim for warranty coverage is denied.

The notice will explain the basis for denying your claim. If you fail to receive this notice within a timely manner, as determined above, **ACG** will perform the warranty repair for you free of charge.

HOW DO I HANDLE EMERGENCY REPAIRS?

If your vehicle needs an emergency warrantable repair and **ACG Dealer** is not available, or if a **ACG Dealer** cannot perform warrantable repair(s) within 3 days of you bringing your vehicle to the dealer, repairs may be performed at any service establishment or by you using **ACG** equivalent replacement parts.

ACG will reimburse you for the cost of these warranty repairs including diagnosis.

You must present the vehicle or defective component(s) or part(s) that are replaced and the repair receipt(s) to an authorized *ACG Distributor* or *ACG Dealer* or send the defective component(s) or parts and related receipt(s) for part(s) and the repair receipt(s), freight prepaid, to ACG at the following address:

Warranty Services
ACG, Inc.
15740 El Prado Rd.
Chino, CA 91710
USA

The reimbursement shall not exceed **ACG's** suggested retail price for the warranted parts that are replaced and labor charges based on **ACG's** recommended time allowance for the warranty repair and the geographically appropriate hourly repair labor rate.

WHAT REPLACEMENT PARTS SHOULD I USE?

ACG recommends that you use Genuine ACG replacement parts. However, when you are having non-warranty work done on your vehicle, you may choose to use non-ACG parts. If you decide to use non-ACG parts, be sure they are equivalent to **ACG Parts** in performance, quality, and durability. If you use replacement parts that are not equivalent to **ACG Parts**, your vehicle's systems may not work as effectively, and you may jeopardize your warranty coverage.

For vehicles within the warranty period, **ACG** will repair at no cost to the owner, under the Warranty, covered failures caused by properly installed **ACG Parts** or non-ACG parts that have been approved by **ACG**. **ACG** is not responsible for the cost of repairing any failures caused by non-ACG parts that have not been approved by **ACG**.

The maintenance, replacement, or repair of control devices or systems can be performed by any automotive repair establishment or individual using ACG replacement parts or ACG approved parts without voiding your warranty coverage for future repairs during the warranty period.

PROPER MAINTENANCE PRESERVES YOUR WARRANTY

If you do not maintain your vehicle properly, ACG may have the right to deny you warranty coverage. To have repairs made under this warranty, you may have to show that you have followed ACG's instructions on properly maintaining and using your vehicle. You will find these instructions in your **Owner Guide** and **Scheduled Maintenance Guide**.

Be sure to save your service receipts and to keep accurate records of all maintenance work.

State warranty enforcement laws

These state laws - sometimes called lemon laws - allow owners to receive a replacement vehicle or a refund of the purchase price, under certain circumstances. The laws vary from state to state.

To the extent your state law allows, **ACG** requires that you first send us a written notification of any defects or non-conformities that you have experienced with your vehicle. [This will give us the opportunity to make any needed repairs before you pursue the remedies provided by your state's law.]

In all other states where not specifically required by state law, **ACG** requests that you give us the written notice. Send your written notification to:
